

We wish to keep our customers, our family and our community safe.

Our shower block is open but is limited to being used by one person at a time. All other communal areas must comply with the one metre + rule. Hand sanitizers must be used before touching any shared facility i.e. taps and bins etc..

When you arrive you should follow the information displayed on the house door or we will be there to assist you.

You must not travel to stay with us if you or anyone you have had contact with in the past 14 days has any COVID-19 symptoms. If you become unwell when staying with us you must return to your home address immediately.

Payment will be arranged at the end of your stay and can be a card payment or bank transfer.

We look forward to seeing you soon!

Jo & Colin
